Brief Description of Arguments to be Presented:

Applicant's claims 1 and 11 have twice been rejected in view of
PARK 355 because Park allegedly discloses an insertion space
between the data printed circuit board & the receiving container.

An interview was conducted on the above-identified application on _____.

NOTE: This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
